ISHRAE-VCET Students Chapter

:MISSION: To advance the arts and sciences of heating, ventilating, air conditioning and refrigerating to serve humanity and promote a sustainable world.VISION: ISHRAE will be the global leader, the foremost source technical and educational information, and the primary provider of opportunity for professional growth in the arts and sciences of heating, ventilating, air conditioning and refrigerating.AIMS AND OBJECTIVES:

- ? Advancement of the sciences of heating, RAC engineering and related Sciences.
- ? Continuing education of interested person said sciences through lectures, demonstrations and publications.
- ? Encouragement of scientific research.

Scraped Data

? To impact education in the fields of air-conditioning courses, workshops, and seminars and to award certificates, consultancy work

ISHRAE-VCET Students Chapter

:

ISHRAE-VCET Students Chapter was installed in Vidyavardhini's College of Engineering and Technology in Department of Mechanical Engineering in 2009. Every year the local chapter arrange the combine installation program of ISHRAE student chapters of various colleges. It was a glorious event and blessed by the presence of eminent personalities as well and all the student members and other core committee members graced the event. Various activities like Installation of office bearers, ISHRAE-Student Chapter, Jamboree, Acrex Presentation, A Quest presentation took place. Every year the ISHRAE- VCET student members visited HVAC system related industries. The Job Junction is an initiative by ISHRAE to provide job opportunities to fresh graduate engineers and helps in HVAC industries. It was organized across in India. The technical festival Jamboree hosted every year with various competitions like Technical Paper Presentation, T-Shirt Design, Mock Interview, Poster Design, Games and seminar related to HVAC. Many students participated in this technical festival from our college. The new competition ?ISHRAE Student Technical League 2018? (ISTL-2018) was held first time in ISHRAE Mumbai Chapter. The registered colleges participate in this competition. Project assigned to team members to find best air conditioning system for IT/Commercial building. Heating load calculations with 30 minutes presentation of every team in front of HVAC engineers. In elimination round our Vidyavardhini's College of Engineering and
