VMEA

Home»VMEA

VMEA stands for Vidyavardhini's Mechanical Engineers Association. It is a committee built entirely on the drive of its members. It traces back its origin to the year 2000 when it was formed, which makes it one of the oldest and highly active technical student bodies in Vidyavardhini's college of engineering and technology. VMEA involves organizing events and competitions such as Product showcases, Quiz competitions, Project competitions etc. VMEA along with organizing such great events also primarily focuses upon building core technical knowledge of the students which enables them to develop a technical perspective.

MECHEXPO :MECHEXPO an industrial product showcase started by VMEA where our volunteers approach different industries to display their products in our showcase on engineers day. This event was a tribute to all engineers working for the technological progress of the nation. The products brought are presented and explained by the volunteers to all the students and professors. Some of

Scraped Data

the major industries participating every year are Gemsons, Pacific tools, Aggarwal fasteners. Quizmania

: Quizmania is a quiz competition for all the students of Mechanical engineering. It is a portal where the students get an opportunity to display their general as well as technical knowledge challenging their intellect in every aspect with brilliantly designed questions by the members of VMEA thus escalating their overall understanding and making them globally aware. VNPS : Vidyavardhini's National Level Project showcase is the opportunity for the students to showcase their ideas and designs through working models. These projects are carefully evaluated by the judges who are chosen from the respective technical field. It is an event which is eagerly awaited by students and teachers alike and is one of the prime events of VCET. VNPS 2018 had a record entry of external participants.
