the ideas are conducted for the students to strengthen their 6 Ps of success comprising of Patience, Persistence, Perspiration, Passion, Perseverance, and Pragmatism. With a variety of programs E-Cell plays a key role in the development of entrepreneurial skills and giving an opportunity to the deserving. At the same time, it has been invoking a sense of responsibility towards the nation in students by empowering social start-ups as well.

Objectives 1. To inculcate entrepreneurial mindset amongst our students. 2. To help students validate their ideas. 3. To help students get mentors who can handhold them. 4. To help students to find business ecosystem and funding opportunity. Over the years we have tried to meet our motto by hosting various entrepreneurial events such as the Bizmaster competition, the Esummit and the Internship fair. We also hold various talk sessions with our students wherein speakers and entrepreneurs from various business backgrounds share their experiences and motivate the students to build a business mindset and help them to come forward with their ideas to kick start their entrepreneurial journey.
