Counseling Cell

Home»Counselling Cell

In today's fast-paced and competitive world, students face personal, social, academic, career planning issues. Considering this as the biggest challenge, VCET provides counseling to the students.

The purpose of the counseling cell is to assist the students in dealing with their problems and enable them to resolve their issues independently. The vision of the counseling cell is to create a positive environment in the institute and enable people to contribute as individuals to the whole organization and community.

VCET has also appointed a well-qualified and experienced psychologist, Mrs. Poonam Surange (PG Psychology (Gold Medalist), MS-Psychology, PG Diploma in Guidance and Counseling) to provide counseling to students. The counseling services are provided at the individual as well as the group
